The Semaphore Circular

No 667

The Beating Heart of the RNA

March 2017

The Naval Service Memorial in all its glory. Can you believe it will be three years old in June? It is still very original and unique and well worth a visit if you have not yet had a chance. The memorial is at the National Memorial Arboretum in Alrewas near Burton Staffs. The NSM has its own exhibit in the visitors' centre – see if you can find it!

This edition is the on-line version of the Semaphore Circular, unless you have registered with Central Office, it will only be available on the RNA website in the 'Members Area' under 'downloads' at www.royal-naval-association.co.uk and will be emailed to the branch contact, usually the Hon Sec.

RNA Central Office,
Room 209, PP70,
Semaphore Tower,
HM Naval Base,
Portsmouth
Hants PO1 3LT

Dear Shipmate,

We have only had one bomb scare in the last week, as the dredgers for the HMS Queen Elizabeth move to deepen the central harbour area and the 'berthing pocket'. Chatting to the Naval Base Commander last week, the preparation in Portsmouth Dockyard are going very well – with new logistics buildings completing each week and the major jetty work almost done.

I hope you are enjoying the **new look** Semaphore Circular. We have been very lucky to have several days (free) help from the COBSEO Communications expert, Alice Farrow. The Circ is now much easier to use electronically, with hyper-links to make navigation easier – and also with a modern slick look. May I please **BEG** all branch secretaries to pass the Circular out electronically to all branch and club members – as well as covering the essentials at the Branch meeting. We put a lot of effort into producing an up-to-date and informative publication each month for the whole RNA and it is vital that it gets out.

A big thank you to many branches for getting their **year-end returns** in to us, don't forget that at the same time you should complete your on-line form at the Charity Commission, a very easy and quick process for those with income under £5,000 in the year. You will be pleased to hear that I have my nose to the grindstone preparing the RNA's annual report for the National Council on 11 March. I will be sending you a hard copy when it's approved with the Conference Agenda, raffle tickets in time for your April meeting.

Project Semaphore, the iPads for naval veterans without regular personal access to the internet is going along at a fast pace. Training in London, Harrogate and Hereford starts this weekend, when volunteers will receive their own iPads and those for their candidates. I would love to see more applications for these iPads – I know from feedback that some branches are not aware of this exciting programme. Can I please ask that all branch secretaries cover in the next meeting – new applications to sharon@royalnavalassoc.com.

Libor Minibuses. We have ordered the 3 buses from a company in Essex and hope to have one or more at Perth for you to see and try out. The company does the adaption for a wheelchair hydraulic ramp. We will need a few RNA members to come on the 'Build visit' to see the buses and talk about fitting out. If interested give Nigel a ring.

Some more bits and pieces:

- We had an excellent visit to Perth, for a planning meeting for the Conference on **3 June**. Bookings have been coming in at a good pace. We think that some are making their own arrangements for accommodation (which is fine), but are not yet booked for the **Gala Dinner** on the Saturday night. You will not be able to get a ticket on the night – and in fact you need to book the Gala dinner **straight away** with CONA travel and by **15 April**.
- Don't forget to get your Conference **delegate** booked in asap.
- Please pass the word on the Biennial Parade on **10 September** to your branch and any local naval associations. This is a day for all Naval Associations and is a great reunion too.

Kindest regards from the Central Office team

Paul

1. Project Semaphore Newsletter- iPads

This Month's Update from the Project Manager – Sharon Brown.

This month has been all about spreadsheets and collating the data on all the wonderful Volunteers and our candidates to enable the first wave of organisation and allocation of iPads. May seem simple but in reality was a very administrative intensive process. Our Northern Project contact Alan was visiting the HQ on 28 Feb and we had to ensure that all the iPads for those attending the training in Harrogate and those for their candidates were ready for him to take back. A full Jacky Dusty evolution!! The paper work and recording will not only let us know which shipmates have the iPads it will also provide an audit trail that we can present to the Aged Veterans Fund to support the proper use of the funding if required.

Our first training events are nearly upon us, London on 4 Mar and Harrogate on 5 Mar, as you read this they may have already happened. This means we are close to getting iPads out to those digitally isolated veterans.

Important matters must be addressed...competition results!! First I would like to say thank you for all your efforts assisting myself with the Project and either volunteering to support candidates or applying for your iPad and taking that first bold step to join the digital era. Looking at the data today I can confirm that the winners of a bottle of rum each are:

Area with the most candidates – Area 10 with 22 Candidates
Branch with the most candidates – Norwich Branch with 7 Candidates

I would also like to mention a few individuals.

- Gary Daisley from Rayleigh Branch who stepped in to assist Norwich candidates.
- Mike Rubery and Michael Cook from Bridlington Branch who have proactively created a plan together to support all the candidates in their areas
- John Arnold from Crosby Branch who has volunteered to support, on his own, 7 candidates spread across various locations which is currently the most candidates for a single volunteer.

I am looking forward to receiving news of our candidates online in the very near future!!

Sharon Brown, Project Manager, Project Semaphore.

2. ★ Guess Where? An Establishment

This month can you name this establishment No hovering or looking on Google or Wiki!!

The answer will be in next month's edition.

Last month's answer: Prince of Wales Building, HMS Tamar Hong Kong otherwise known as 'the upside down gin bottle' Vice Admiral David Steel (Great friend of the RNA) was first in with the right answer

3. ★ FINANCE CORNER

Dear Shipmates

Year End Returns 2014

They are still 4 Branches who have not submitted their accounts to Central Office for 2014.

Can I please ask for a copy to be returned to Central Office **ASAP**. I have informed your Area NCM that you have still not submitted your accounts, so they might offer what assistance is required or you can ring Rita or me.

RNLI	£1,597	£2,310
Combat Stress	£1,525	£1,271

Charity Donations

If any Branches are unsure regarding the requirements of donating funds to a Charity please see below.

The rule is simple and depends entirely what is in the mind of the person donating money at the moment they do. This might be money in a bucket or collecting tin, buying tickets for a branch raffle or having an event to raise money for a specific project.

So, if you hold an event or collection and it is COMPLETELY clear for whom you are collecting during the collection, then the money can be passed to that charity (even if you are in RNA rig). However, general branch and charity funds, profits from branch events and raffles etc can only be given to charities within our charitable object laid down in the Royal Charter. In brief:

- For serving or ex-serving members of the naval forces in need hardship or distress, and their dependents.
- To further the efficiency of the Naval Service, including recruiting.
- To provide facilities for bring members of the RNA together
- To perpetuate the memory of those who have served in the Naval forces.
- To help members find employment.
- To provide members advice on personal matters etc etc.

Therefore the charities that are fine are those charities that **specifically** help serving and ex-Naval Service such as RNBT, RNRMC, Pembroke house etc. Help for Heroes is fine since they look after Marines. Sea Cadets are good to help since that can come under recruiting. Joint service charities that look after all 3 services, but do help the Navy, are fine too, such as the Legion, BLESMA, Blind Veterans SSAFA and the Not Forgotten Association. I know that many branches have favourite charities they love to support that aren't particularly naval. The point is to ensure that whoever is contributing knows where the money goes - a donor is entitled to assume that the money given to someone in an RNA blazer collecting with an RNA bucket will go for RNA charitable purposes. Here are some of the charities I have seen that may have been supported where a **specific** collection would be more appropriate – **there is absolutely no call here for you to stop supporting them**, just to ensure we collect within the Charity Law Rules and our Charter.

Action for Kids	Age concern	Accordion Band	Alzheimer's Society
Air ambulances	Boys Brigade	Abbey restoration	Breast cancer
Cystic fibrosis	Donn's dream house	Dreams come true	Fishermans Mission
Girl Guides	Stroke Clubs	Headway	Hospices
Guards associations	Jubilee Sailing Trust	Kidney cancer	Marie Cure
Scouts	Xx boys football club	Parkinson UK	Red Cross
RAFA/RAFBF	The Sailors Society (Merchant Navy only)	Sunley foundation	St John's ambulance

I well appreciate that some of this may have been to pay for services (such as St John's), but we have to comply with Charity Law. This is a note for your guidance only. Branch Committees should also be aware that the RNA's preferred charity is now the **Royal Navy and Royal Marines charity**, who are in the best position to judge where the need is greatest in the Naval sector.

Membership Secretaries

I have noticed that some Branches are still sending funds of £10.00 per member to Central Office.

Please note –

At the last Conference in June 2016 held in Reading, the Conference delegates approved a motion to Conference, to increase the annual subscription by £4.00 making the annual subscription £14.00 a year.

Therefore, from the 1 January 2017 Membership fees are £14.00, Overseas £7.00, Life Membership £140.00 (10 x Membership).

If you would be so kind please make sure your Branch Shipmates pay their subscriptions to your **Branch Bank Account** and not Central Office Bank Account.

Slops

Also, at the last Conference in Reading 2016 a motion was passed that the fee for a Certificate of Appreciation was to be £25.00.

Treasurer's Guide

Any Treasurers that hasn't received the Treasurer's Guide please let me know and I will send you a copy.

Standard Cover

I will be producing invoices at the end of March for the Standard Cover of £8.00, this will reflect in your Spring Termly Accounts. Kept at the same rate now for 7 years!!!

Phew ! that's all shipmates for now.

Yours Aye
Michelle

4. ★ RNVC Series - Lt Cdr Malcolm David Wanklyn VC DSO & Two Bars Royal Navy

Born in 1911 to an affluent family in Kolkata, British India, Wanklyn was influenced into a military career at a young age. His father was a successful businessman and engineer who served in the British Army in the First World War and his uncle was a destroyer commander who had a successful war fighting German U-Boats in the First Battle of the Atlantic. He joined the RN at the age of 14 and served in various ships until he joined the Submarine Service in 1933 as a Lieutenant.

After the outbreak of the Second World War, he was given command of HMS *H31* which he commanded from February until August 1940. Wanklyn sailed on patrol in the North Sea, during which he sank one vessel. In August 1940 he was given command of newly commissioned HMS *Upholder*. In December 1940 the submarine was reassigned to the Mediterranean. Wanklyn began the first of his patrols in January 1941 and remained on operations in the Battle of the Mediterranean for the

remainder of his career.

During 15 months of operations, Wanklyn led *Upholder* on 27 patrols and sank 11 Axis merchant and troopships while damaging four more. During his combat career he fought many actions with *Regia Marina* (Italian Navy) warships. He sank one destroyer and one minesweeper, and damaged a light cruiser. In a rare achievement, he also sank three Italian submarines. It amounted to 128,353 tons of enemy shipping. For the sinking of the heavily defended enemy transport SS *Conte Rosso* without working Asdic, he was awarded the Victoria Cross.

CITATION FROM THE LONDON GAZETTE ADMIRALTY

Whitehall, 6th December, 1941.

The KING has been graciously pleased to approve the grant of the VICTORIA CROSS for valour and resolution in command of His Majesty's Submarine Upholder, to: Lieutenant Commander Malcolm David Wanklyn, D.S.O., Royal Navy.

On the evening of the 24th of May, 1941, while on patrol off the coast of Sicily, Lieutenant Commander Wanklyn, in command of His Majesty's Submarine Upholder, sighted a south-bound enemy troop-convoy, strongly escorted by Destroyers. The failing light was such that observation by periscope could not be relied on but a surface attack would have been easily seen. Upholder's listening gear was out of action.

In spite of these severe handicaps Lieutenant Commander Wanklyn decided to press home his attack at short range. He quickly steered his craft into a favourable position and closed in so as to make sure of his target. By this time the whereabouts of the escorting Destroyers could not be made out. Lieutenant Commander Wanklyn, while fully aware of the risk of being rammed by one of the escort, continued to press on towards the enemy troop-ships. As he was about to fire, one of the enemy Destroyers suddenly appeared out of the darkness at high speed, and he only just avoided being rammed. As soon as he was clear, he brought his periscope sights on and fired torpedoes, which sank a large troop-ship. The enemy Destroyers at once made a strong counterattack and during the next twenty minutes dropped thirty-seven depth-charges near Upholder.

The failure of his listening devices made it much harder for him to get away, but with the greatest courage, coolness and skill he brought Upholder clear of the enemy and safe back to harbour.

Before this outstanding attack, and since being appointed a Companion of the Distinguished Service Order, Lieutenant Commander Wanklyn had torpedoed a tanker and a merchant vessel.

He has continued to show the utmost bravery in the presence of the enemy. He has carried out his attacks on enemy vessels with skill and relentless determination, and has also sunk one Destroyer, one U-boat, two troop- transports of 19,500 tons each, one tanker and three supply ships. He has besides probably destroyed by torpedoes one Cruiser and one Destroyer, and possibly hit another Cruiser.

5. ★ TV Channel 5 - Assistance Please

TV Channel 5, are making an exciting two part documentary about Britain's most famous ships. The MV Queen Mary will be the focus of one of our episodes. They are looking for individuals who can share their memories and experiences of the Queen Mary.

A key chapter of the Queen Mary's history is its role during the Second World War as a troop transport ship. They are looking to talk to anyone that has memories of their journeys on board the Queen Mary. In particular, they want to talk to individuals who can recall the tragic sinking of the HMS Curacoa on the 2nd October 1942; Churchill's transatlantic journeys; or the presence of German Prisoners of War on board.

For more information please contact Josh Sykes on 07882 436225 or e-mail Josh.Sykes@channel5.com or by post to Channel 5 Broadcasting Ltd, 17-19 Hawley Crescent, Camden Town London NW1 8TT

6. ★ Perth RNA Conference 3rd/4th June 2017– Update

Shipmates would like to be aware of some important points about Conference;

- Bookings are still being accepted for accommodation in the two 'Conference' hotels; The Station Hotel, where the Conference/Gala Dinner is being held and the Queen's Hotel, directly opposite the Station Hotel (90 second walk). However, Shipmates are advised that accommodation booked in these hotels through CONA Travel Service is close to being sold out. There a number of other accommodation options which can be independently booked for the weekend.
- Shipmates wishing to attend the Gala Dinner Buffet, on Saturday 4th June, that have not already booked through the CONA Holiday Service in the two 'Conference' hotels, must apply for a ticket (£27 per person subject to availability) to: conatravelservices@theukholidaygroup.com or call 01603 886742`

- **It is essential** that any Shipmates who have made independent accommodation arrangements and wish to attend the Conference, or official evening functions, at the Station Hotel must contact the CONA Holiday Service to register as limitations apply.

The Scottish Area Committee

thought you would like to know a bit more about Perth and its surroundings, just in case you need convincing to come to Perth for the RNA Annual National Conference 2017

Perth is a small city located on the banks of the River Tay in the heartland of Scotland. Perthshire is surrounded by beautiful scenery at the gateway to the Highlands of Scotland.

Scone Palace (*pronounced Scoon*), the original home of Scotland's Stone of Destiny, is close to the city of Perth, and it was here that 42 Scottish Kings were crowned. Scone Palace is open to the public and is well worth visiting.

John Knox preached in St. John's Kirk (where we will be holding the Church Service on Sunday 4th June 2017) in 1559, calling for 'the purging of the Churches from idolatry', a sermon which led to the destruction of the four monasteries in Perth. All the old monastic buildings have long gone, however you can still visit St. John's Kirk, see and the house of the Fair Maid of Perth on North Port.

Balhousie Castle, just north of the town centre has been restored in the Scots Baronial style and is now home to the **Black Watch Museum**, which is open to the public and worth a visit.

The Art Gallery and Museum in Charlotte Street, is one of the best for a town of this size. As well

as featuring the history of Perth, you will find collections of pictures and sculpture (*modern as well as historic*), furniture, china, silver and costume.

The Round House, a restored water works, is now the home of the Fergusson Gallery, which contains a collection of the paintings, drawings and sculpture of JD Fergusson, the artist at the forefront of the Scottish 'Colourist' movement.

The restored Victorian Lower City Mills, has a massive working water-wheel and working miller

continuing to mill the product for which Scotland is famous – Oatmeal. There are demonstrations and multi-language interpretative storyboards, bringing history to life.

The pictures above show the Scottish Area Committee hard at work planning the finer details of Conference along with the members of Central Office staff; at the entrance to the Station Hotel, outside Perth Station, with the welcome to Perth sign and in the planning meeting.

Finally for those Shipmates, wives, boyfriends, girlfriends, partners and guest who will not be attending the Conference on Saturday!

We're planning a trip to Balhousie Castle for a tour of the Black Watch Museum (*the entrance fee has been waived for this*) and a spot of lunch/afternoon tea (cost approx.: £10 – *TBC dependent on numbers*) for Saturday 3rd June 2017. Visitors will be taken to/from hotels and Balhousie Castle by minibus.

This trip needs to be pre-booked. Please return the attached booking form, there is a blank form at the rear of this edition, if you would like to book any place(s) for this trip.

7. ★ Blonde Joke (We haven't had one for some months....)

The Blond Detective Exam

A policeman was interrogating 3 blondes who were training to become detectives. To test their skills in recognizing a suspect, he shows the first blonde a picture for 5 seconds and then hides it. "This is your suspect, how would you recognize him?" The first blonde answers, "That's easy, we'll catch him fast because he only has one eye!" The policeman says, "Well...uh...that's because the picture shows his PROFILE."

Slightly flustered by this ridiculous response, he flashes the picture for 5 seconds at the second blonde and asks her, "This is your suspect, how would you recognize him?"

The second blonde giggles, flips her hair and says, "Ha! He'd be too easy to catch because he only has one ear!"

The policeman angrily responds, "What's the matter with you two?? Of course only one eye and one ear are **SHOWING** because it's a picture of his profile!! Is **that** the best answer you can come up with?"

Extremely frustrated at this point, he shows the picture to the third blonde and in a very testy voice asks, "This is your suspect, how would you recognize him?" He quickly adds "...think hard before giving me a stupid answer." The blonde looks at the picture intently for a moment and says,

"Hmmm...the suspect wears contact lenses."

The policeman is surprised and speechless because he really doesn't know himself if the suspect wears contacts or not. "Well, that's an interesting answer...wait here for a few minutes while I check his file and I'll get back to you on that."

He leaves the room and goes to his office, checks the suspect's file in his computer, and comes back with a beaming smile on his face. "**Wow!** I can't believe it...it's **TRUE!** The suspect does in fact wear contact lenses. **Good work!** How were you able to make such an astute observation?"

WAIT FOR IT

"**That's easy,**" the blonde replied. "**He can't wear regular glasses because he only has one eye and one ear!**"

9. ★ HMS Queen Elizabeth Portsmouth arrival - Update

A number of Shipmates and branches have contacted Central Office to enquire if there is any information concerning the arrival of HMS Queen Elizabeth to her home port of Portsmouth.

Unfortunately the problem that we have, is that even the Naval Base Commander can't tell you the date, and may not be able to do so until the last moment. This is because the actual build of the carrier has slipped 8 to 12 weeks and when the ship eventually conducts sea trials, which may go well -

or not it may slip again. Finally there is an issue in that first entry into Portsmouth Harbour is limited as the ship can only enter when the wind is 15 knots or less and 1 hour either side of high tide.

Central Office have a good source of intelligence and will let you know as soon as we do. In the meantime the current best guess by the Captain of the Base is either late July or early September.

12. ★ Royal Navy and Royal Marines Charity (RNRMC)

An intimate dinner attended by HRH The Princess Royal has officially marked the launch of a year-long 10th birthday celebration for the Royal Navy's national charity, The Royal Navy and Royal Marines Charity (RNRMC).

The dinner, held on HMS Victory in Portsmouth on Wednesday (25 January), was hosted by the Second Sea Lord of the Royal Navy, Vice Admiral Jonathan Woodcock OBE, who spoke of the special relationship between the Royal Navy and its charity.

Guests at the event, which included Trustees, Vice-Patrons and friends of the RNRMC, such as Mr Nigel Atkinson, Lord Lieutenant of Hampshire; Mr Lance Batchelor, Vice-Patron, RNRMC; Sir Michael Hintze AM, Vice-Patron, RNRMC, gathered in Nelson's Cabin to hear about the charity's legacy of work – and the imperative to support the Naval Service into the next decade.

Bill Thomas, RNRMC Chairman, said: "The Royal Navy has been central to Britain's past and is critical to our future. In war and in peace, the remarkable men and women of the Royal Navy and Royal Marines work tirelessly to protect us and the freedom we enjoy.

"We know that longer nine month deployments place additional strain on family life. Social isolation and the need for residential care in old age affect almost 50 per cent of veterans, compared to 28 per cent a decade ago; a growing number of all ages are being assessed for mental health problems.

"We enter our tenth year with a greater understanding of the need and with renewed determination to raise the funds - £10 million over the next three years - to ensure that every member of our extended family knows that we value their service and that we are there for them to provide practical support."

The event was especially poignant for the Charity as HRH The Princess Royal confirmed the renewal of her Patronage of the charity for another three years.

The birthday launch marks a year-long calendar of events and fundraising campaigns planned by The Royal Navy and Royal Marines Charity, which can be found on the charity's website (rnrmc.org.uk) and social media channels.

The Royal Navy and Royal Marines Charity was officially registered with Companies House as an incorporated company limited by guarantee on 10 January 2007 and on 2 February 2007 as an Incorporated Charity with the Charity Commission.

In partnership with the Charity Commission, the RNRMC was able to identify over 60 existing Royal Navy and Royal Marines funds for merger. While some of these funds were small, such as prize funds, others were extremely large, due to a long history of saturation and investment.

Since its formation the charity has distributed over £45 million in grants to those in uniform, to their families waiting at home for their safe return and to service veterans. The charity estimates it has approximately 700,000 members of the Royal Navy and Royal Marines family in its beneficiary pool.

Some of the charity's recent grantmaking projects include funding a family accommodation block of flats at HMNB Portsmouth for families to enable time together; nationwide funding for relationship counselling for families through Relate Counselling; subsidising Kings Camp activity holidays for children at naval bases; and support for veterans and families transitioning from Service to civilian life.

13. ★ Skin Cancer Update

The Loch Class Frigates Association (a good CONA friend) very kindly forwarded the following information highlighting relating to skin cancer.

If you have been diagnosed with skin cancer you may well qualify for a lump sum or regular pension, if it is believed that the tumour has developed as a result of sun exposure during your period of service.

If you have developed a Basal Cell Carcinoma (BCC) Squamous Cell Carcinoma (SCC) or Melanoma you can apply to the War pensions Agency (particularly if your services was in sunny climates) Veterans UK have a helpful team who are able to support you to complete the necessary application. You can contact them at;

<https://www.gov.uk/government/organisations/veterans-uk> or by phone 0808 1914218. Please see below a letter forwarded to the Loch Class Frigates Association highlighting this issue

"Dear Andrew

I was in the Med from 1952-55. It was sunny in summer!

*In later years (60+) I have developed skin patches that have been treated with SOLARAZE or freezing. However, about 10-15 years ago I had to have one surgically removed and last year another on my forehead. When I saw a dermatologist last November he said " **Ex Navy? Served in warm climate? You should be claiming for this?**" He promptly downloaded and printed off the enclosed which I forward. I knew nothing of that scheme but am in the process of claiming as the last bit excised was BCC (Basal Cell Carcinoma). It has healed very well but I still get scalp issues treated with a prescribed shampoo and cream.*

You might think others in the Association also have grounds for claiming. Best wishes and may 2017 be healthy and happy. Sincerely Peter Malindine

14. ★ Open invite to RNA Shipmates visiting Portsmouth

Shipmates, whether serving or not, and all Ex–Service Associations are cordially invited to the **RNA Portsmouth Club Room** for a Tot of Rum, Lunch and a Dinner Time Session [DTS] (lunchtime social) on the Sunday of your reunion weekend.

If you wish to take this offer up please contact the RNA Portsmouth Branch Secretary, as soon as possible. We will need the approximate numbers attending 10 days in advance of arrival.

Our Clubroom is situated upstairs in the Royal Naval Comrades Club, 86 Lake Road, Portsmouth, Hampshire, PO1 4HF.

In addition, we have an Open House in our Club Room every Friday night from 1900. Just drop in if you are in the area, we would love to see you with or without your wife partner/oppos.

Our Club Room is also available for bookings for Birthday Parties, Wedding Anniversaries and Wakes. If you wish to hold your actual Reunion here and the numbers are too many for our upstairs room, with enough notice it is possible to book out the RNC Club Main Bar and Entertainment room downstairs. 15. ★ President Trump False News Joke

President Trump invited the Pope for lunch on his mega yacht, the Pope accepted and during lunch, a puff of wind blew the Pontiff's hat off and right into the water. It blew off about 50 feet, then the wind died down and it just floated on top of the water.

The crew and the secret service were scrambling to launch a boat to retrieve it, when Trump waved them off, saying "Never mind, boys, I'll get it."

The Donald climbed over the side of the yacht, walked on the water to the hat, picked it up, walked back on the water, climbed back into the yacht, and handed the Pope his hat.

The crew was speechless, the security team, and the Pope's entourage were speechless. No one knew what to say, not even the Pope.

That afternoon, NBC, CBS, ABC, MSNBC, CNN all covered the story. Their banner headlines read, "TRUMP CAN'T SWIM"!

16. ★ BOOK REVIEWS

The books mentioned below are available from 'NavyBooks'. Run by naval people for naval people. 100s of titles – 1000s of books www.navybooks.com.

Using Code 'RNA 101' at the Checkout Cart RNA members can obtain a 5% on-line discount on all books. (except Magazines, Bargain & Bin End categories)

BRITISH WARSHIPS & AUXILIARIES 2017

£9.99

The fully revised, updated and respected guide to the ships, aircraft and weapons of the fleet. Over 80 colour photos. Complete with pennant numbers and silhouettes. Includes Royal Marine Craft and Border Agency vessels.

The book starts with a “no-holds barred” review of the state of the Royal Navy followed by sections detailing the fleets of the Royal Navy, Royal Fleet Auxiliary and the support vessels operated under contract by Serco. Also included are the vessels of the Royal Marines, Army and the Border Force. Each class entry includes a full colour photograph together with a class listing, pennant numbers, technical specifications and brief notes. Similar sections cover the aircraft and weapons operated by the Royal Navy.

The book concludes with a listing of those ships preserved within the UK and operating in a secondary role after decommissioning and a summary of those vessels which have been scrapped since the previous edition.

A SUBMARINER'S TALE

£10.99

A true voice of 'submarining' in the 70s and 80s. Ex POTI Chas Cooke tells the story of his life in the Royal Navy but concentrates his tale on life in submarines (boats). He writes with verve and relish, including details of 'how it was' that some might perhaps leave unsaid when describing their underwater experiences. The fun side, the dark side and the operational side are all here – but it is the fun side that predominates. The author obviously enjoyed, almost, every moment of his submarine career and is rightly proud to have served as a Royal Navy submariner.

If you were there – this will remind you, if you have only ever wondered about life in a cramped black tube underwater this will give you the facts – and the laughs.

EXETER - A CRUISER OF THE MEDIUM SIZE: £20.00

The title of this book are words Reginald Cogswell used to describe HMS EXETER. In June 1926, a grammar school boy from Westbury Wiltshire, he joined the Royal Navy as an Electrical Artificer 4th Class. More than 40 years later, having retired as a Lieutenant Commander MBE, he wrote of his experiences.

The book covers just a small portion of Lt Cdr Gogswell's naval career, from August '36 to February '40 when he served as the Warrant Officer (E) aboard *HMS EXETER*. Those 43 months encompassed peace and war, aid to civil power during riots in Trinidad, helping earthquake victims at Talcahuano Chile, family separation and re-unions, calm seas and the brutal reality of battle. In setting down his memories of peace time ship visits to the ports of South America, the transition to war and the bloody truth of battle at sea and its aftermath Reginald Cogswell opens a window into the Royal Navy of the period and the impact of WWII. This is not a history of naval strategy and tactics or the manoeuvres of battle at sea, but a most beautifully expressed

story of one man's personal experience of peace and war.

"fascinating reading and good to see a style of writing like that -- made me feel as if I was there"
David Verghese, Naval Historian & Author **Release Date: 31 March 2017**

BARROW BUILT SUBMARINES: £25.00

This book forms a part of the NavyBooks series on warships built at the many shipyards around UK. However, it is also slightly different, while the expected technical details and specifications are included, as well as much interesting history of the employment and operations of the submarines pictured, and the men that served in them, every image is a painting and not a photograph. The book starts in 1900 when 'Vickers Sons and Maxim Ltd' of Barrow-In-Furness took the order to build the first submarine, a Holland Class, for the Royal Navy. It concludes with a painting of HMS ASTUTE leaving Barrow for sea trials in 2010. The book includes an index of every 'Barrow Built Boat' from 1901 to 2016. The book is not only a fine work of art, fit to grace any bookshelf or coffee table but it is also a very useful reference for anyone interested in the history of submarines and, indeed, the history of the Barrow in Furness shipyard.

18. ★ Frog Joke (Sorry !!)

A frog goes into a bank and approaches the teller. He can see from her nameplate that her name is Patricia Whack.

'Miss Whack, I'd like to get a \$30,000 loan to take a holiday.' Patty looks at the frog in disbelief and asks his name. The frog says his name is Kermit Jagger, his dad is Mick Jagger, and that it's okay, he knows the bank manager.

Patty explains that he will need to secure the loan with some collateral. The frog says, 'Sure. I have this,' and produces a tiny porcelain elephant, about an inch tall, bright pink and perfect.

Very confused, Patty explains that she'll have to consult with the bank manager and disappears into a back office. She finds the manager and says, 'There's a frog called Kermit Jagger out there who claims to know you and wants to borrow \$30,000, and he wants to use this as collateral.'

She holds up the tiny pink elephant. 'I mean, what in the world is this?'

(Shipmates you will love this !!!)

The bank manager looks back at her and says...
'It's a knickknack, Patty Whack. Give the frog a loan, His old man's a Rolling Stone.'

(You're singing it, aren't you? Yeah, I know you are...)

19. Update of RNA & Naval Associations Deployment to Ireland on the MV Marco Polo (Renamed HMS Marco Polo) - 'Mini Cruise' 29 Sep -02 October 2017

STOP PRESS STOP PRESS STOP PRESS STOP PRESS STOP PRESS STOP PRESS

Just a quick update on the Naval Associations Irish Sea Deployment on HMS Marco Polo 'Mini- Cruise'. The ship is under sailing orders from Liverpool at 1900 on Friday 29th September 2017, full details are available below.

The cruise is currently exclusively booked for RNA and CONA shipmates which can only continue for a limited period Shipmates who would like to attend are required to place a deposit of £100. However, to encourage more Shipmates to book early and ensure the exclusivity the RNA have successfully negotiated with CONA Holiday Service to reduce the deposit so it can be paid in two

sums of £50, one now and the other by 31st January.

Come along and get the feel of the sea under your feet and have a 'stonkingly' great time. The drinks package alone is worth it! Look;

Why not add a *'Drinks Inclusive Package' at a supplement of £15 per person per night**. This includes: House wine, draught beer and soft drinks by the glass during meal hours in the restaurants: Draught beer, house wines, cocktails and other alcoholic drinks by the glass from all bars during opening hours (excluding premium brands): Soft drinks and juices by the glass from all bars during opening hours.

** The drinks package is only available if all occupants of the cabin book it in advance for the 3 night duration. (Exclusions apply).*

So Shipmates what are you waiting for please book up as early as you possibly can so that the cruise remains as a 'naval deployment'. Full details of the cruise and the booking form can be found at the rear of this Semaphore Circular.

So why not come along and swing that lantern.....

RNA Glasgow Branch

On 28 January the City of Glasgow's RNA standard was on display in Elder Park, Govan for the Centenary Commemoration of the tragic loss of life on board the submarine K13 which sank on 29th January 1917.

Admiral of the Fleet the Lord Boyce KG GCB OBE DL laid a wreath at the memorial. The service was conducted by The Reverend Paul Jupp, Honorary Chaplain to the Submariners Association. There was a good attendance at the ceremony despite the weather.

RNA Bude Branch

This Branch deeply regrets to report the loss of Shipmate Dick Thomas, who crossed the bar on 18 January 2017. Dick joined the Royal Navy in February 1947 as a Seaman and served in Raleigh, Nelson (Ship), Haslar, Victorious, Excellent, Vanguard, RNB Portsmouth (L/Sea Crse), Far East, Consort - Unicorn (SATCHIMO), Belfast (PO's Crse), Eurania as Petty Officer, Dryad (S.D. Crse) and promoted S/Lt., Scott, Mediator, Raleigh D.O's, released April 1968 as Lt.(SD). He subsequently served at Cleeve Camp for 20yrs.

A true gentleman who was a highly respected member of Bude Branch. Safe Passage Dick!

RNA Uxbridge Branch

Please see below a dispatch from deepest West London the principality of Uxbridge courtesy of the Chairman Slinger Wood.

Hi Shipmates , On Friday the 3rd of February Boris Johnson MP foreign secretary and MP for Uxbridge paid a visit to RNA Uxbridge to present a medical Defibrillator to the Uxbridge Branch/club in case any old salt decides to fall off the end of the bar !!!!

He spent an hour meeting its members and being shown around the club by our secretary S/M Terry Briggs as our Chairman S/M Slinger Wood was busy running the bar !!!!
(It is not true he was the one about to fall off the end of the

bar!) he then presented the Defibrillator to our President S/M Donald Trump Thorpe .

Our sincere thanks must go out to one of our members a Local Councillor Wayne Bridge for securing the funding from the local Councillors pot to be able to purchase this fine piece of equipment.

Mind you I'm not sure if I want a drunken Jack trying to jump start myself if my batteries went flat .

RNA St Helens Branch

Thanks go to Shipmate Trevor Howard of St Helens Branch for forwarding this very interesting article below which I am sure Shipmates will enjoy.

I was recently contacted by the Friends of St Helens Cemetery saying that on the 6th February a Service would be held at the graveside for a Royal Yugoslav Petty Officer who had died in Rainhill Hospital St Helens in 1946 and would I attend.

On the 6th February a number of the St Helens Branch along with the Branch Standard and the Branch Bugler attended the Military section of the St Helens cemetery where a short service was conducted by a Greek Orthodox Priest at the Graveside of Petty Officer Alexander Nincic. Also in attendance was his great niece Ivana and her cousin Dubravka. After the short service I related the Royal British Legion response after which the last post and reveille was sounded by the Branch Bugler S/m Gillon after which a wreath was laid on behalf of the St Helens Branch by

the Branch Chairman S/m Sub Lieutenant Tony Bull.

The relatives of Petty Officer Nincic were extremely pleased at the turn out by the RNA and what they did in respect of the service, and I have been informed by the friends of St Helens Cemetery that they have asked that they be allowed to take the RNA wreath back to Serbia, where they now live to show to Petty Officer Sister who at 94 is still alive. They have been searching for 70 years to trace his where about and had made repeated requests to

both the Yugoslav and British Governments for any information that they might have and felt that both Governments had let them down, they put that down to the fact that after the war the new communist Yugoslav Government and the British Government who they say supported the Tito Government just didn't to want to know. I hope that our part in helping out with the memorial service has gone some way to alleviate those thoughts and to show that the Royal Navy doesn't forget those who fought alongside us in the war.

I thought Shipmates might like to read a brief history of Petty Officer Nincic,

Petty Officer Nincic joined the Royal Yugoslav Navy Officers school in 1939 but his training was interrupted when the Italians and Germans invaded Yugoslavia, it would appear that what from what his relatives have said the Yugoslav armed forces became a bit fractionalised, some staying loyal to the King but many others turning against the then Government. Most of the Royal Yugoslav Navy was taken over by the Germans and Italians but a small number which included two MTB'S, one destroyer and one submarine were taken by those loyal to the king and fled to join the British Mediterranean Fleet in Alexandria. Petty Officer Nincic who was only 17 years old and still a cadet heard about the ships going and went and joined them and was put to serve aboard the MTB Durmitor.

After arriving in Alexandria the Durmitor was involved in escorting convoys along the African coast in support of the British forces, it was on one of those escort patrols in 1943 that Petty officer Nincic was unfortunately wounded in the chest by shrapnel. He then put into a hospital in Egypt before being transferred to the Royal Naval Hospital in Malta where he remained until the end of the war. Upon the war ending and the fact that he was unable to be repatriated back to Yugoslavia due to the fact that he had fought under the flag of the now exiled King he was shipped to a hospital in the UK, first to Cardiff and then to a hospital at Rainhill St Helens where he died in July 1946 as the result of his wounds which had also brought on TB. His family were never told that he had died and have spent the last 70 years trying to find out what had happened to him other than he had been in a hospital in Rainhill. They put an item on the internet and it was seen by a Rainhill historian who traced his grave. Petty Officer Nincic was 22 years old when he died. Although Petty Officer wrote to his mother, his father who was put into forced labour by the Germans was later killed in an air raid, he never told his mother how serious his injuries were and they were never informed when he died although the British Admiralty were informed along with the Yugoslav Embassy.

RNA Huntingdon and District Branch

Thanks to Shipmate Karl Webb for keeping us updated on naval activities in Huntingdon & District.

Over the weekend of 4-5 February 2017, shipmates from Huntingdon & District Branch manned the first charity stall of the year. On Saturday 4th, shipmates Karl Webb and Pete Aston set up a stall in the foyer of Tesco Superstore at Bar Hill, Cambridge. With RNA House flag, RN and RM ensigns proudly on display, shipmates Karl and Pete enjoyed the day chatting with locals and visitors to the stall. A few enquiries were made about joining the RNA, only time will tell if we get any new members.

The day was made even better with a visit from Ryan Feeney (who works with shipmate Clare Aston), seeing that Karl and Pete had been on their feet all day, brought a bottle

of beer for each to drink later that night. On the Sunday, it was shipmates Bill Small and Graham Murray's turn to man the stall at Tesco Bar Hill, another successful day, and after taking the idea from the Saturday, a welcome visit by shipmate Karl Webb (in his new role as Branch President) who also dropped off a bottle of beer for the workers to celebrate with later.

The following weekend brought another recruitment opportunity. S/Ms Karl Webb and Andrew Bish were invited as guests at Huntingdon Community Radio in order to give a talk on the RNA at national, Area, and Branch level. Karl discussed the overall aims of the Association, and of the charity and community events that the Branch get involved in, whilst Andrew gave his personal take on his time as a Royal Marine and with being part of the RNA family in Huntingdon. In a twist of fate, the radio presenter for the evening was the former Mayor of Huntingdon, Councillor Bill Hensley, who by coincidence appears in the new RNA Membership form (photographed with S/M Andrew Duthie at the Huntingdon Branch annual BBQ) – Bill was really impressed, and has kept a few copies for himself.

Photographs show shipmates at the charity stall in Tesco Superstore and during the radio interview with Huntingdon Community Radio.

RNA Rayleigh Branch

A Rayleigh Branch Shipmate who served in the Second World War has been awarded the highest honour from the French government.

Alan Iles, who is now 92, has been appointed to the rank of Chevalier in the Ordre national de la Legion d'honneur by the President of the Republic in recognition of his military engagement and steadfast involvement in the liberation of France during the Second World War. The award was presented to Mr Iles, who lives in Rayleigh, by MP Mark Francois at a special ceremony hosted by the Royal Naval Association.

Shipmate Mark said *“Alan Iles served his country during the Second World War including at D-Day where he was on a minesweeper and helped sweep the approaches to the invasion beaches. In view of his role in the liberation of Europe, the French Government have awarded him the Legion d’Honneur and I was privileged to present the*

medal to Alan on their behalf.”

The presentation took place in front of his family and friends and fellow shipmates from the Rayleigh Branch of the Royal Naval Association. *"We owe a great debt to this Naval veteran who fought so we can live in a free country."* Said Mark.

Alan Iles joined the Royal Navy in January 1943 at the age of 18. He was originally sent to America to help bring a US ship back to Europe but while there, he was seconded to take a frigate from Montreal to Halifax. When he got there, he was seconded for a second time to join the minesweeper HMS Clinton and escort a convey back to Europe. Alan stayed with the Clinton for the rest of the war, going out the night before D Day to lay marker buoys for the flotilla. The next day as they returned they were cheered by the Invasion force on its way to Europe.

After the presentation, Alan and his family headed to the British Legion in Rayleigh for a celebration. His daughter-in-law, Maryse Iles, said: *"The family is extremely pleased that Alan and the other servicemen who helped liberate France have finally been honoured for their service. As a family we have always been so proud of Alan. It has been interesting for us to find out more since we learned he was being awarded this medal."*

Alan would like to thank his friends from the Rayleigh Branch of the Royal Naval Association of which he is a founding member, for making this day so memorable. Alan would like to say a big thank you to Mark Francois MP for the presentation and his kind words in light of the poignant reminder that Mark's own father served on a minesweeper during the liberation as well.

More Raleigh News.....

This year's Rayleigh Shipmate of the year winner is S/M Iain Hendry. Iain was presented with his medal and Branch trophy by Chairman Jim Hammond at this year's Branch AGM on 1 February 2017. Iain was nominated for the award for to his outstanding contribution to the Branch with the ongoing maintenance of the Naval Memorial in Rettendon and his organisation of last year's 30th Anniversary Mess Dinner. Congratulations

Iain!

A certificate presented and signed by Dave Ambrose (Area-5 National Council Member) on behalf of the RNA National Council and received by Jim Hammond (Branch Chairman) on behalf of Rayleigh Branch at this year's Branch AGM on 1 February 2017. The certificate now hangs on the wall in the Branch meeting location at the Royal British Legion in Rayleigh. Well done Jim!

Congratulations to Shipmate Pete Chivers of Stowmarket RNA Branch. Pete received the John Newsome Trophy at the Area-5 AGM on 4 February 2017 from Area-5 Chairman Tim Jarvis, with Norman Paulding (outgoing Area-5 Welfare Advisor), Paulette Rose (Area-5 Hon. Secretary) and Dave Ambrose (National Council Member for Area-5) in the background. As PRO for the newly formed Stowmarket Branch, Pete's award winning citation wasn't read out, but as the only nomination at this year's Area-5 AGM, must really have been something special! Well done Pete!

Volunteers Required....

The photo of the Area-5 top table was taken at their AGM on 4 February 2017. From left to right Norman Paulding (outgoing Area-5 Welfare Advisor), Paulette Rose (Hon. Secretary) Tim Jarvis (Chairman) and Dave Ambrose (National Council Member). Vacant positions at the head of Area-5 now include Hon. Treasurer, Welfare Advisor, Public Relations Officer and Committee Member. Fancy being part of something special? Contact S/M Jim Hammond for details.

In case you're thinking of leaving these jobs to someone else, Jim Hammond's RNA responsibilities currently include Branch Chairman, Area Committee Member and Deputy National Council Member, making him one of the busiest shipmates around. It's time to step up and take some of the responsibilities. Volunteers please step forward and make yourselves known!

RNA Cardiff Branch

The third successive and successful Area 7 AGM and Dinner was hosted by the Cardiff Branch at the Holiday Inn Cardiff on Saturday 18th February.

At the dinner Shipmate Mel Howden, who joined the RNA in 1988, who is the Vice President of the Branch, was presented with life membership by the President Cdr Peter Machin and the Branch chairman Andy Clark.

The 'unashamedly' Shep Woolley bashed out a tune or two and a splendid evening was had by all!

RNA Chichester Branch

Chichester Branch is organising a celebration of the 70th Anniversary of our foundation in 1947. Which will take place on the evening of September 30th 2017. The venue will be the Assembly Room, Chichester Council House, North Street, Chichester.

It's going to be a major celebration for us. Our 60 odd members are determined that it will be a notable affair, especially as this is clearly the year of the Royal Navy. The Lord Lieutenant of West Sussex will be attending, as will be Captain Readwin RN Mine Warfare and Patrols etc. and the Mayor of Chichester. The Chichester Harbour and Selsey Sea Cadets will be making a significant contribution, and music will be provided by the Chichester City Band. The Royal Navy Presentation Team will also be our guests for the evening as will representatives of HMS Hurworth, our affiliate ship. Please see below a provisional outline of the proposed programme;

1845-1900 Arrival and glass of wine.

Sea Cadets to man Council House stairs

1900 Drum Role and standards paraded.

National Anthem

RNA Paddock Wood

Paddock Wood branch of the Royal Naval Association held this year's AGM in the Paddock Wood Social club on Monday 13th February 2017. During this meeting a group photograph [below], was taken to commemorate the Branches 26th anniversary.

The Branch was commissioned on the 13th October 1990 with a parade through Paddock Wood which was lead by a Royal Marine band and 45 RNA Standards. The salute was taken by the guest of Honour, Countess Mountbatten.

Although the Branch membership has diminished over the years, it still has 33 members who are actively involved in social and local events, and supporting Number 2 Area events.

The Branch meets in the Paddock Wood Social club on the second Monday of each month starting at 1945 [7:45 pm]. We will always welcome visiting Shipmates and other Seafarers to our meetings. New members are also welcome. The next Branch meeting is on Monday 13th March.

RNA Londonderry Branch

The Londonderry Branch supported the HMS Laurentic Centenary events in January 2017 and Shipmate Robert Buchanan, Chairman of the Branch has very kindly forwarded a report on the events.

The International Sailor Statue, the Tower Museum and the Guildhall in Londonderry were among the sights and venues for the Centenary Commemoration of the sinking of HMS Laurentic on 25th January 1917. The five day event organised by the Ulster Canada Initiative, in a joint effort with the Derry City & Strabane District Council and supported by the Royal Naval Association, was hailed as a tremendous occasion and a very fitting tribute to those who lost their lives on that fateful night. The presence of more than thirty descendants of the crew, who came from far and wide, added a very special note to the commemoration.

Wednesday 25th Jan 2017; *The Centenary event began with the Mayor of Derry launching an exhibition of HMS Laurentic artefacts in the Tower Museum, just inside the historic walls of the City. This was a very interesting event and the current owner of the wreck Mr Ray Cossum, (an ex matelot) was there with two of his diving friends and they participated in an excellent question & answer session hosted by Ronan McConnell from the Museum Services. The free exhibition will run until June 2017.*

Thursday 26th Jan 2017; The descendants of Laurentic crew members were treated to a guided tour of Inishowen Peninsula, Co Donegal, in Southern Ireland. They visited the most northerly point in Ireland, Malin Head which overlooks the area off the mouth of Lough Swilly where the Laurentic struck two mines and went down with the eventual loss of 354 lives.

Friday 27th Jan 2017; When news of the disaster reached Londonderry, the Mayor, Alderman R. N. Anderson set up a relief effort and a convoy of cars & trucks loaded with blankets, clothing & food was despatched to Buncrana. Later the Mayor held a lunch for the 121 survivors in the Londonderry Guildhall. The present Mayor, Alderman Hillary McClintock decided to replicate that lunch and accordingly the descendants, RNA members and other VIP's were invited to a centenary lunch in the Guildhall. It was a very well organised event and a group photograph was taken almost exactly the same as the lunch for the survivors taken 100 years ago.

The Royal Navy was represented by Cdr John Gray SNONI and the Irish Navy was represented by Lt Cdr Ronan McLaughlin.

On Friday evening there was a Commemoration Laurentic Dinner hosted by the Ulster Canada Initiative. The venue was the Laurentic Restaurant near Fort Dunree in Co Donegal. Yes, it was named after the ship!

Saturday 28th Jan 2017; Services of Commemoration were held at two sites in Co Donegal. The first was at the Mass Grave in the St Mura's Church of Ireland graveyard in Fahan, where the Londonderry Branch Piper S/m Billy Doherty led the Standards of Area 12 Ireland, Londonderry Branch & Limavady branch carried by S/m Eddie Moore. S/m Arthur Lapsley and S/m Andy Guy respectively. The banner of the Inishowen Friends of Messines was also carried. This group are allied to the Peace School in Messines. Belgium. The Mayor of Derry Alderman Hillary McClintock and Councillor Bernard McGuinness, Co Donegal, were also in attendance.

The Second ceremony was held at Cockhill Chapel Cemetery in Buncrana, Co Donegal. The Ulster Canada Initiative hosted a reception after the ceremonies. Wreaths were laid on behalf of the RNA by S/m Eric Mitchell, Vice Chair Londonderry Branch. Still and carry on was piped by S/m David Russell.

Sunday 29th Jan 2017; *The Irish Naval Vessel, LE Samuel Beckett, under the command of Lt Cdr Darragh Kirwin hosted a Wreath Laying ceremony over the wreck site of HMS Laurentic just off the north coast of Co Donegal. The party of Crews Descendants, VIP's and RNA members were taken aboard LE Samuel Beckett at Rathmullen on Lough Swilly and we sailed out to the last resting place of the Laurentic. The Rector of St Mura's Church in Fahan, Rev Judi McGaffin led a service on board and Wreaths were laid by Descendants, VIP's, RNA and the Ship's Captain. It was a very moving ceremony, especially for the relatives.*

and S/m Eddie Lavery. 4. S/m Robert Buchanan and S/m Eddie Lavery presenting Lt Cdr Kirwin with a Crystal Irish Coffee Glass depicting the International Sailor Statue which RNA Londonderry Branch have placed in the old WW2 Royal Naval Base in Londonderry, the base was known as HMS Ferret then HMS Sea Eagle and is now known as Ebrington Square.

We wish to thank Captain Darragh Kirwin and the crew of LE Samuel Beckett for accommodating this, once in a lifetime opportunity for many of the descendants of the ill-fated crew of HMS Laurentic. Congratulations also to the Ulster Canada Initiative led by Don McNeill, The centenary event was a great success and that only happens if a lot of hard work is done by dedicated people. The Derry City & Strabane District Council, led by Mayor Hilary McClintock also share the appreciation of all concerned for the support of this Centenary Event.

Londonderry Branch now look forward to their annual Battle of the Atlantic Commemoration on 6th & 7th May 2017. We will be working with the Council to enhance the experience for our visitors and we invite shipmates everywhere to come along and join us for the weekend. CROSSED THE BAR – Celebrating a life well lived

- [Dennis Whitehead](#) – Margate Branch
- [Logan Harvey Hall – Peterborough Branch](#)
- [Pat Mole - Newton Abbot](#)

Dennis Whitehead – Margate Branch

Dennis crossed the bar on Friday 13th January aged 90. He served in the Royal Navy from November 1943 to August 1947, he was later recalled for the Korean war in 1952 to March 1954.

During WW2, he served as a seaman aboard the destroyer HMS Cassandra, on the night of 11th December 1944 the ship was escorting a convoy to Russia and he was on watch with our past Margate branch chairman “Bunny Scott” when at 0602 a torpedo struck forward of the bridge blowing wide open the bow section and claiming the lives of 62 of the ships company. The torpedo was fired from U365 which was sunk two days later by a swordfish aircraft from HMS Campania. HMS Cassandra was towed astern by the frigate HMS Bahamas and later by a Russian tug to Kola Inlet for repairs.

Dennis was invited to the Russian embassy in 2015 where he received the Ushakov medal along with our then chairman Harry Allen, they were later invited to Downing street by prime minister David Cameron. His funeral took place at Margate crematorium at 10:45 on Thursday 2nd February it was attended by Standards and Side Party.

Logan Harvey-Hall - Peterborough Branch

It is with great sadness, and a deep sense of loss, the Peterborough Branch of the RNA must announce that S/M Logan Harvey-Hall Crossed the Bar on January 2nd 2017, at age 74 years.

Logan (or Harvey, as he preferred to be called) arrived in England at age 8 years old, and completed his education in Britain. As a teenager he set his sights high and on 26th June 1962, decided to join the Royal Navy.

The selection process assigned him to an Engineering Mechanics course, which on completion launched him into a 12

year career with the navy, from which he emerged as a Petty Officer Mechanician 2. on discharge.

Employment in civilian life moved him around the country before settling in Peterborough, where he joined Peterborough RNA in March 2005, and did throughout his association with the branch, become a very active member.

Harvey eventually assumed a role on Committee, later becoming the Branch Welfare Officer, a job he did diligently, and with great compassion, and enthusiasm. Never slow to lend support to any needs of the branch, when the Standard Bearer was forced to stand down for personal reason, Harvey took up the gauntlets as a novice to the role, but eventually became in all respects a fine example of what a Standard Bearer should be.

In summary, I will say that throughout his time with the branch, Harvey was much liked by all, and was a friend indeed, to those who through infirmity, or isolation, had become inactive to the branch, but still wished to be remembered. His was an arm around the shoulders, and a few kind, comforting words of assurance, to people who through illness, or advancing years, had become weakened, and in many cases disabled. His many years of active Community Service, will be well remembered by all who were fortunate enough to gain strength, and encouragement by his example.

Member of the branch wish him Gods speed, and a safe passage to calmer waters, and a sheltered harbour. May you rest forever, in Peace.

Pat Mole – Newton Abbot

Pat sadly passed away aged 77 on 13th November 2016.

After getting permission from his parents at the age of sixteen, he joined the Royal Navy and began his training at HMS Raleigh. He had a successful 24 year career serving on Aircraft Carriers, Submarines and Minesweepers. Pat finished his time in the Navy as a Chief Petty Officer (Mechanician). Pat was married to Lesley for 54 years. They had 3 children, and 6 grand children.

After leaving the Navy, Pat owned his own business in Newton Abbot, Devon. One night in the pub by chance, he met the Chairman of the Newton Abbot Branch of the RNA and was persuaded to join – he served the Branch as Hon. Secretary, Chairman and for the past 18 years President. He loved his time with the RNA - the social life and outings - he and Lesley made lots of lovely friends. Pat was also a trustee of TS Canonteign Sea Cadets

Pat had a motto (which sounds like it originated from his time in the Royal Navy)
“REMEMBER, BE GOOD..... BUT IF YOU CAN'T BE GOOD, THEN DON'T GET CAUGHT”
