Forces in Mind Trust – Invitation to Sector Briefing in York

On 16th November 2017 the Forces in Mind Trust (FiMT) will be holding a briefing session in York. The aim of this session is to help the Armed Forces Community, the Services Charities sector, and other key stakeholders and interested parties understand how FiMT can support ex-Service personnel, and their families, during their transition from military into civilian life. Whilst the event is aimed primarily at Directors, and the heads of welfare, research, grant-making and fund-raising, anyone with an interest in the subject of transition, including Trustees, is most welcome to attend. The briefing will be hosted by Chief Executive FiMT, Air Vice-Marshal Ray Lock CBE.

Event details

Date: Thursday 16th November 2017
Time: 10.30 am to 1.30 pm
Venue: York Explore Library
Address: Library Square, Museum Street, YO1 7DS

You are welcome to arrive from 10.30 am, when tea and coffee will be available. From 11 am to approximately midday, the FiMT Executive Team will brief delegates on the aims of the Trust, its grant-making strategy and the mechanism by which grants are considered. We will also cover examples of our awards to date, and our future intentions. There will be plenty of opportunity to ask questions and to enter into discussion, which will continue during the subsequent networking buffet lunch.

Could I ask that anyone wishing to attend sends an e-mail to events@fim-trust.org by 9th November, so that we can finalize catering and seating arrangements? Please also let us know of any special dietary requirements, or any other support needs.

You are most welcome to share this invitation with colleagues. I very much look forward to seeing you for what I am certain will be an informative and stimulating event.
