ARMY FAMILIES

Additional Needs Support Group

AFF is hosting support groups for Army families who have children with additional needs and/or disability.

Don't miss a great opportunity to meet other families similar to your own, facing similar challenges.

Thanks to funding from ABF The Soldiers' Charity, we'll be holding 8 support groups throughout the year.

Come and chat with AFF and other families in a safe and comfortable environment.

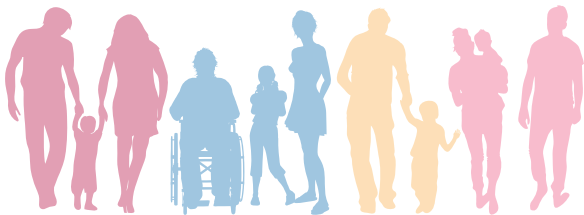

The first three sessions will take place at

Aldergrove Community Hub from 10am-11:30am

Wednesday 14 March | Wednesday 18 April | Wednesday 16 May
