Seeking Veterans in Croydon to help celebrate Armed Forces Week 2018

Do you know an Armed Forces Veteran currently living in Croydon or who has had previous links with the Armed Forces Community in the borough? Croydon Commitment is looking for veterans of any age who have served in Her Majesty's Armed Forces to help them celebrate the start of Armed Forces Week on Monday 25 June 2018.

The Veteran's and Cadet's Lunch will take place after Flag Raising at the Town Hall on Monday 25 June at 11.30am. De Vere Selsdon Estate will host the Veteran's Lunch and guests will enjoy a fine lunch, have a chance to reminisce and talk to other guests and to celebrate their service to the community.

Croydon Commitment would like to hear from any veteran who would like to join in the celebrations. Guests can be any age, from any Arm or Service, regular or reserve or have a wider association with the Armed Services community (ie they may have worked in a munitions factory or been involved with the Land Army) and have a connection to Croydon.

If you know of anyone who would like to be a guest please contact Melinda Ashford on 020 8774 3680/ 07786 438964 or email melinda.ashford-mm@mottmac.com
