

SPRING 2019 NHAS ROADSHOW

The Homelessness Reduction Act: one year on...

Join us at one of our free events in March. We'll have a legal update provided by John Gallagher, Shelter's Principal Solicitor, covering the latest developments in the Homelessness Reduction Act and other recent housing legislation and case law. There will also be workshops delivered by local authorities from the Roadshow locations, focusing on HRA initiatives in their area and by a Shelter trainer, looking at what makes a good Personal Housing Plan.
