

Mesothelioma UK specialist service for military personnel and veterans and their families who have been affected by mesothelioma.

'Mesothelioma UK - Supporting our Armed Forces'

Help us to create a memorial at The National Memorial Arboretum

We are pleased to share the 'Mesothelioma UK – Supporting our Armed Forces' service plans to launch a memorial at the National Memorial Arboretum in 2021.

You can support the creation of this new memorial to honour a loved one. The memorial concept depicts building blocks of life, engraved with information about mesothelioma, asbestos and our Armed Forces.

We want the families and friends of those affected to be able to visit the memorial to pay their respects and remember our heroes.

How you can get involved

The 'Mesothelioma UK – Supporting our Armed Forces' memorial will be made up of over 60 blocks.

You can support the creation of this new memorial to honour a loved one by donating any amount or for £1000 you can 'sponsor a block'. All donations will be acknowledged on the Mesothelioma UK website and there is no limit on the number of blocks you can sponsor.

All contributions will help us towards our goal of bringing the memorial to life!

To donate online visit:
