Job Description

STEPWAY is a support network for Veterans primarily referred from partner organisations within the community, our programmes are focused on early intervention, support, and empowerment.

This role is to ensure the breaking down barriers between Veterans and Civilians.

The applicant for this role will have a track record mentoring and coaching people in the wider community.

Ability to help the Lead develop and build a safe place where all the community access and enjoy activities.

SPECIFIC RESPONSIBILITIES

- Help the Community Project lead with daily tasks at the Project.
- To work with Civilians and Veterans alike to break down those barriers.
- Develop a friendly and safe environment.

MAIN RESPONSIBILITIES

The upkeep and development of the community project with the Project Lead by introducing the following activities- Beekeeping, Mushroom farm, Foraging, Bushcraft and Archery.

Applicants will be required to undertake an Enhanced DBS Disclosure and Non-Police Personal Vetting.
